Current Events

The first graders are busy practicing their play. If you have time to help your child practice his or her lines at home that would be great. Everyone is excited about performing on stage.

The children have read the story "Have You Seen My Cat?" They have written a story about a wild cat and a tame cat. We are compiling the stories and illustrations into a class book.

In math we continue to explore addition and subtraction. We have played math games using dice and adding three numbers, writing vertical addition facts and telling

addition stories. We are learning to relate subtraction to addition and be able to determine which operation is to be used.

Special Events

The first grade classes will soon begin a unit on learning about money. We will be visiting the local Moultonboro Post Office on Tuesday, January 31. We will be leaving the classroom at 12:50 and visiting the Post Office at 2 pm. The Post Master will be explaining all about buying stamps and mailing letters. We will then set up a post office in our classroom and sell and buy stamps to send valentines.

WRITING

In writing the children have chosen a topic they would like to write about. They have organized the story to have a beginning, middle, and end.

Poem:

The Wishing Star

Star light, Star bright
Winter star in the night
I wish I may
I wish I might
Have the wish
I wish tonight!
