## Current Events

Children have enjoyed many activities getting ready for the holidays. We made glittery pinecone tree ornaments, some lovely pots, and picture tree ornament. We have written a letter to the reindeer, and also written about our own family's holiday traditions. We learned about the Festival Lights celebrated in the Eastern countries, Kwanza celebrated by African Americans, Hannukah, and Christmas. Everyone had something special to share.

We were fortunate to have Mrs. St. Amand come in to classroom and make potatoe latkes! They were delicious. Nick and Paige were experts in teaching the children

how to play a dreidel game. The children enjoyed it so much we had to play it again the next day! Thank you for sharing Mrs. St.Amand, Nick and Paige!
